Re: 84<sup>th</sup> RTT Web (**Index of Posted Doc's**)

---

In an effort to keep candidates informed of schedules, instructions and other related information, the below table has been prepared. The table offers a summary of all documents posted to the 84<sup>th</sup> RTT link. This table will refresh regularly and will be sorted by document posting date (newest to oldest). It remains the candidate's responsibility to be aware of and satisfy all selection activity requirements. Attention to detail, ability to follow directions and commitment to the selection process are but a few of the characteristics that distinguish desirable candidates.
